Expansion

Last year we announced that Poverty Resolutions was expanding. Since then, we have changed our name to Bold Hope and expanded into 5 new countries! Our desire is to come alongside the vulnerable and to see the HOPE of Jesus shared across the globe.

DOMINICAN REPUBLIC

We have three missionaries who have committed to living and serving in coordination with our Dominican partner on the ground. We are specifically targeting Haitian communities called Bateyes, which are often places of extreme poverty and need. We are excited to engage the children and families there - to bring the HOPE of Jesus while walking life with them.

MEXICO

We are partnering with two nonprofit organizations on the ground to come alongside families facing significant struggles, helping to meet some of their most basic physical needs (such as housing) while sharing the love of Jesus.

BELIZE

We have partnered with churches and schools to serve families and communities through child sponsorship, service projects, children's ministries, and small business ventures.

JAMAICA

We are partnering with ministries on the ground who are already doing the work to help meet the material and spiritual needs of their neighbors and those commonly forgotten by society.

ZIMBABWE

We are excited to have added the children living in the Domboshava Home to our sponsorship program. They are children who've been abandoned, with no family to care for their needs. The home provides a safe place to learn and grow while getting the love and attention they deserve.

HAITI UPDATE

Please keep Haiti in your prayers.

Specifically, pray for our staff and for the vulnerable people of the country. Since spring, the opposition to the president has grown increasingly frustrated and has begun to demonstrate regularly.

It is often difficult for our team to travel anywhere within the country. Our inability to get to Port-au-Prince for supplies creates a variety of challenges for our staff and programs.

Despite the difficult circumstances, we have been able to continue many of the ministry activities that are done on-site such as the feeding program, medical clinic, and church services. We are thankful that after being closed for a time, our on-site school has reopened!

We appreciate your continued sponsorship support. The monies will continue to be used to support the children in the best way we can during this difficult time.

Please keep all of this in mind as you pray for us, for your sponsored child, and for Haiti in general. We hope to be fully up and running as soon as safely possible.

In 2019, Bold Hope took 256 volunteers to 5 countries. Looking ahead at 2020, we already have 23 teams signed up to travel to 10 different countries! We are excited to report that we have also recently launched child sponsorship in Belize and Cambodia.

2020 OPEN TRIPS*

June 6-12: Belize

June 13-19: Dominican Republic
